Dialogue Days on Prosumerism in Action & Mainstreaming

Mornings of February 3 and 4

+ Inspiration day on Feb 2

Day two: Open dialogues on prosumerism in action today

3 February, 10:00-11:30 CET - 1.5 hours

Agenda outline: This day of dialogue will give participants the chance to discuss in detail some of the more salient Technical, Economic and Social aspects of prosumerism. Starting from the PROSEU outcomes, three parallel sessions, one per topic, will allow for an open dialogue with participants contributing with their experience. Cases from PROSEU Living labs as well as input from other projects will kick-start the discussion. As a result of the conversations, each session will come up with a set of bullet points to be presented in the policy dialogue on the final day giving participants the opportunity to both learn about best practices and bring possible solutions to the attention of policy makers.
